CRITERIA FOR AWARDING FUNDING FOR

research projects

The Public Place Recycling Scheme (PPRS) is wholly funded on a voluntary basis by the commercial sector working with councils and community groups as partners. The PPRS promotes the Love NZ brand.

As part of this scheme we will provide funding on a contestable basis for research projects which will increase and promote public place recycling and reduce litter.

Allocations will be based on whether the project meets one or more of the following criteria:

- Focus regions/tourist areas
- Opportunity to increase recycling +/- or composting tonnages
- Keeping our waterways clean and green
- Will add value to the Love NZ brand

All recipients of funding will be required to provide:

- Completed Project Report(s) including:
 - high resolution photos
 - list of stakeholders
 - recommendations
- Promotion relating to the project is subject to agreement with PPRS
- Evidence that the project is conducted in accordance with your Health & Safety policy

The size of grants to be awarded will be determined according to the merits of each application however as guidance:

It is expected that funding for research projects will not exceed **\$10,000**
